EDUCATION

Rungta College of Engineering & Technology

B.Tech - Computer Science and Engineering - **CGPA: 7.41**

2024 – 2028

Bhilai, India

Resonance International Public School

Class XII - CBSE - **Percentage: 70%**

2023

Muzaffarpur, India

DAV Public School MTPS Kanti

Class X - CBSE - **Percentage: 82.2%**

2021

Muzaffarpur, India

COURSEWORK / SKILLS

- Web Development (Frontend)
- UI/UX Design
- Ollama & LLMs
- Git & GitHub

PROJECTS

Merit Checker | Python, Streamlit, Pandas

Apr 2026

- Designed and developed an automated ranking platform to dynamically process and evaluate merit data.
- Built and deployed a fully functional, live prototype of the solution using Streamlit for an interactive interface.

Inventory Management System (Stockr Pro) | HTML, CSS, JavaScript

- Developed a responsive web application designed to track stock, monitor inventory levels, and manage data entries.
- Utilized dynamic frontend scripts to process mock local state mutations for real-time local updates.

Fake Review Detector (ReviewShield) | HTML, CSS, JavaScript

- Designed a user interface aimed at displaying analysis metrics for online product reviews to flag spam patterns.
- Established clean status dashboards and alerting layout frameworks to improve digital platform trust metrics.

TECHNICAL SKILLS

Languages: C, HTML, CSS, JavaScript (Learning)

Developer Tools: VS Code, Git, GitHub, Ollama, Hugging Face, Google Gemini

Technologies & Methodologies: Frontend Web Design, Prompt Engineering, UI/UX Wireframing

EXTRACURRICULAR ACTIVITIES / ACHIEVEMENTS

GitHub Dev Days Hackathon

2026

Participant

Bhilai, India

- Collaborated with peer developers during intensive modules to prototype production-ready front-end solutions.

Google Solution Challenge – Build with AI

2026

Participant

Bhilai, India

- Explored integration workflows using local LLMs and AI APIs to address scalable global challenges.

College Athletic Events

2025

Sports Participant (Kho Kho)

Bhilai, India

- Engaged in local competitive events, fostering active sports coordination, teamwork, and agility.

CERTIFICATIONS

] Full-Stack Dev (Advanced React & Node) – Coding Spoon

] Data Science – AI/ML Foundation Suite

] Google for Education AI Masterclass (2026)

] Postman API Fundamentals – Student Expert

] Prompt Engineering with GitHub Copilot
